

Corrugated Plastic Wall Mount Tissue Box Holder

Free to distribute as long as it is unchanged. Design © 2024 //under.design
 Download this PDF and follow photo build instructions at:
<http://www.undr.com/undersold/prints/UDW556/>

Sold red lines cut all the way through
 Dashed lines only cut through top half
 ? tabs can be any height, I use ruler width
 Mountain fold all dashed lines for assembly
 Use packing tape to close and seal back
 Use double-sided tape to mount

My tissue box was 3.5"x5"x9"
 Yours may be different!
 Check first before building!
 Shrinkflation happens!
